The image shows a mobile application interface for editing a user profile. At the top, there is a status bar with signal and battery icons. Below it is a blue header with a hamburger menu icon on the left and the title "Edit Profile" in the center. The main content area has a light blue background. On the left side, there is a square placeholder for a profile picture with a large 'X' over it, and a button labeled "Choose Picture" below it. To the right of the picture placeholder, there are two white input fields: the first contains "John Smith" and the second contains "Jsmith@ucsd.edu". Below these fields are two grey buttons with white text: "Edit Study Times" and "Edit Courses". At the bottom of the form, there are two rounded buttons: a green "Submit" button and a red "Cancel" button. A hand-drawn black box is overlaid on the bottom half of the form, containing the handwritten text "MAJOR" and "Bio" on two lines.

A mobile app interface for account verification. It features a blue background with a black checkmark icon at the top. A white rounded rectangle contains the text: "Your account has been created." and "Please enter the verification code that has been sent to your ucsd email." Below this is a white input field labeled "Code" and a dark gray "Verify" button.

✓

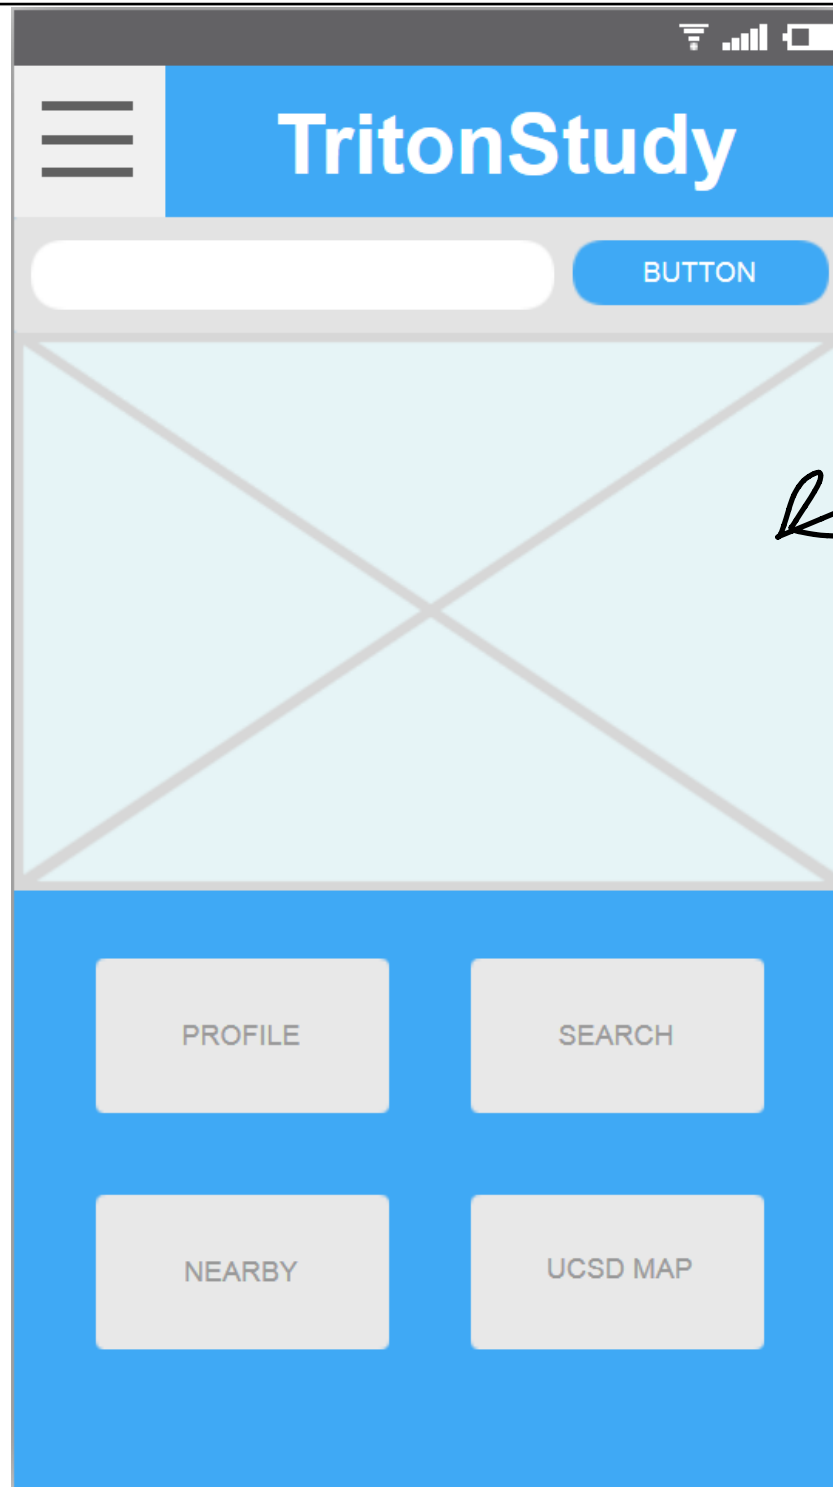

Your account has been created.

Please enter the verification code that has been sent to your ucsd email.
